

1. British Council's **ROAD TO IELTS**

The online course focuses on techniques and strategies to pass the **IELTS** test and on the test format.

The first 10 hours are always available online at this [link](#), whilst the following 20 hours will be unlocked as soon as you register to the test.

“Road to IELTS” helps you in the process of familiarisation with the test format so that you will be able to focus on the test tasks during the test day.

2. **IELTS full practice test** at this [link](#)

It covers the four parts of the IELTS test.

3. Recurring **British Council's MOOCs** at **FutureLearn** at this [link](#)

MOOCs are free courses (2 hours study a week) designed to provide a great deal of information on IELTS test format, as well as strategies and techniques to pass the test.

4. **Free online resources** at British Council's [LearnEnglish](#), for your learning and practice

5. **British Council's IELTS Mobile Apps** to get prepared for the test and enhance your English level at this [link](#):

- IELTS Prep App
- IELTS Word Power
- IELTS Word Ready

6. If you registered to an IELTS **computer-delivered IELTS exam** session, please, find **online preparation resources** at the following [link](#)
