ENGLISH LANGUAGE ENTRY TEST 2023-2024

INTRODUCTION

Students who will attend the first year of either a Bachelor's or a Single-Cycle Master's Degree Course are asked to take the *English language entry test* aimed at assessing their level of competence. Where applicable, reaching a certain level of competence in the test can grant some kind of exemption from the final curricular exam.

Two *test* dates are scheduled for each Department/ Degree Course; the second date is only for those who have not taken the *test* on the first one. The *test* can be taken only once and only in person.

Students who, for whatever reason, will be admitted to years following the first, are not required nor allowed to take the *test*.

Exceptions: students who will enrol in the following degree courses are exempted from taking the *English language entry test*: Business administration and management, Digital Education, Digital Marketing, Economics and Finance, European Languages and Cultures, International Economics and Marketing, Primary Teacher Education, Psychological Sciences and Techniques, Strategic Sciences, Technologies for the Smart Industry.

NB: if you enrol in either Pharmacy or Pharmaceutical Chemistry and Technology degree course you will take the test on your 2nd yr (A.A. 2024-2025). You will receive relevant information by the Department in due time.

HOW DO I REGISTER FOR THE TEST?

WHAT HAPPENS IF I HAVE NOT TAKEN THE TEST?

If, despite being registered, you have not shown up, or you couldn't register for the *test* due to no seats available left, you can register for the second date. You do not need to report any absence at the *test*.
